December 2023

Greetings Seabeckians,

It's nearing the end of another great year at the **Seabeck Community Center** (SCC) and time for a bit of a recap.

It was hard to beat 2022 with the arrival of the **Pickleball** courts but we made some good strides.

The **Seabeck Garden Club** toiled to add some much-needed greenery and color to our campus, and it's much appreciated.

This year was filled with **fitness classes, birthday parties, baby showers, celebrations of life, art classes**, amazing **bingo nights, piano lessons**, informative **speaker forums**, the advent of the **sewing "sewcial"**, youth **basketball, indoor pickleball** (during the most epic snowy winter) and more. We had a thriving year with the popular **community markets** including a blockbuster **car show**. We can't forget about the **Pumpkin Carving** parties for Make Seabeck Glow, the bustling annual **Seabeck Road Sale** and the popular **Holiday Arts and Crafts Fair**. Also, there is the ever-present sound of Pickleball players having a blast. A BIG thank you to all our volunteers who help make these events possible.

You may have noticed the great **picnic area** under the oak trees. This was funded by the **Port of Bremerton**, and it's much appreciated. This area is part of our next endeavor which is a **pavilion and playground** adjacent to the pickleball courts and behind the picnic area.

Our plan is to provide this area to the community for more recreation opportunities, gatherings, and entertainment. To help fund this, we are selling **personalized engraved bricks** that will become a walkway separating the courts

from the park area that will leave the legacy of *your* support. I sincerely hope you take a moment today and donate to ensure we continue our day-to-day success and fulfill our future plans for your community center. You can make a charitable contribution by going to our website. Receipts from all donations will be provided for tax purposes.

Hope you and your family have a great holiday season and a healthy happy 2024!

See you at the Seabeck Community Center!

CHEERS,

Kurt Schnuit
