

## Status Report 2

April 18, 2020

### Seabeck Community Center

Good News. We have made progress during the past 4 weeks. We have received State of Washington Articles of Incorporation. This means we are a Washington Nonprofit Corporation with an official title; "Seabeck Community Center", (SCC)

We applied to the IRS for tax-exempt status on March 9<sup>th</sup>. This normally takes about a month. Suzanne Arkless checked our status and found out that a response to our 1023EZ filing may take up to 3 months. This should not hold up progress with CKSD, see next paragraph.

Doug Newell, Assistant Superintendent – Finance and Support, has got us on the agenda for the next school board meeting. The meeting is set for Wednesday April 22 at 1:00 pm. You can join this meeting on Zoom. The link is: <https://ckschools.zoom.us/j/494348130> Meeting ID: 494 348 130

We have drafted BYLAWS for the SCC and they are being reviewed. A copy can be provided to anyone interested. The SCC owns the BYLAWS and we can tailor and update as needed.

SCC now has a mailing address, thanks to Suzanne:

Seabeck Community Center, 15398 Seabeck Hwy NW, Seabeck, WA  
98380-8704

We are putting together a spread sheet of supporter's names and contact information. This data is from the Seabeck General Store signup sheet. We will keep it private.

We have not figured out how to hold our first board meeting. In the meantime, we will continue to put updates in the blue folder in the General Store.

Don Chalupka
