

Status Report 8

October 24, 2020

Seabeck Community Center (SCC)

15398 Seabeck HWY NW

Seabeck, WA 98380

The recent rains have tested the Gym roof and the Gym will get a new roof. A roofing contractor is expected to start the work within the next 3 weeks. The septic contractor is expected to start work within the next 2 weeks. After the roof and septic are completed, a professional cleaning crew will clean and sanitize the entire inside of the building. This work will delay the CKSD turnover of the Seabeck Campus to SCC. A completion date is somewhat dependent on weather and material availability. The estimate for turnover is now sometime in December.

Our website is running well. Please check it out at www.Seabeckcc.org. You can learn about SCC, provide news items, join SCC, pay dues and make donations.

SCC now has a comprehensive insurance policy that provides liability coverage as required by the CKSD.

SCC officers met on October 23rd. The following are highlights of the meeting. Postcards will be mailed to everyone in the Seabeck community to help publicize SCC. Hopefully the cards will result in new members and community input. A survey will be put on the website to help determine programs and services based on the needs and priorities of the community. Also, we will provide a list of leadership positions that need to be filled by volunteers. Our goal is to open the center as soon as possible balancing the initial activities with available assets. We will hold a community meeting as soon as the COVID-19 rules allow.

Donations by check can be made payable to SCC (a non-profit), and mailed to the above address. Also, you may make donations on www.Seabeckcc.org.

Cheers,

Suzanne Arkless and Don Chalupka
