Ring in the Summer and Fall at the Seabeck Community Center

SCC Board Member Suzanne Arkless thanks the Seabeck community: “People put their trust and faith in us when they purchased memberships and made their financial contributions. They did not question that the Center would even happen; they believed that together we would make it happen.”

The outpouring of community support at the inaugural SCC meeting on May 1, 2021, bodes well for future success as dozens of volunteers are now scurrying behind the scenes to solidify a myriad of Center functions — from facilities and outfitting, to communications and program management.

Drop Your Anchor at the Seabeck Community Market on July 18

Artisans, local farmers and community shoppers can now gather on the first and third Sundays at the Seabeck Community Market during summer and early fall beginning on July 18, 2021, from noon to 4 p.m. Enjoy live music with local country singer Jason Putman while shopping at the Market.

Marla Wilson, local poultry farmer and one of the smiling cashiers at the Seabeck General Store, and fellow organizer Tara Guenterberg, medical professional, are seeking additional vendors wish-

ing to rent booths at a cost of \$10.00. For a copy of the policies handbook, for answers to questions or to rent space, contact Marla at (707) 372-4167.

Marla said this is great opportunity to bring the community closer together while showcasing the offerings of our new Community Center and the talents of our local artisans and family farmers. Goods will range from scrumptious food to soaps, candles, jewelry, floral items, organic teas, laser wood art and other crafts and regional goods.

Major Donations Beautify SCC

A heartfelt thanks to community members who have donated over \$13,000 to date in membership fees and monetary gifts. Countless others — from graphic artists, to organizers, to farmers — have worked tirelessly to get our Center and our future events rolling.

Thank you, donors, for the SCC sign, basketball nets and balls, the striking new front entrance landing, our speed-of-light internet connection, tables and chairs galore and more!

Business and Community Donors

- **Randy Hanson**, Seabeck Elementary Alumni, and his company, **Hanson Signs, Inc.**, of Silverdale, crafted and affixed our gorgeous logo to the building.
- **Ryan Lindstrum** of **One Off Concrete** of Seabeck donated the labor and yards of concrete for a professionally done front entrance landing which — along with the sign — spruces up our new look.
- **KPUD (Kitsap Public Utility District)** gifted the manpower and materials for our industrial strength two-terabyte high-speed internet.
- **Frank Heidt**, CEO of **Leviathan Security**, and SCC Board Vice President purchased numerous rectangular and round tables for meetings and events. His business also donated four computers.
- **Seabeck General Store** Owners **Billy** and **Barbie Mills** provided dozens of new chairs.
- **Kurt Schnuit**, retired medical professional and our new **SCC Program Director**, contributed four basketballs, new nets for our hoops and Wiffle Ball gear!
- Local artist and business owner **Suzanne Arkless** funded startup costs, website fees, housekeeping equipment and supplies needed to meet CKSD's specifications. She also purchased several new advertising sandwich boards for SCC events.
- The **Central Kitsap School District** generously added a beautiful sports court flooring, after also hiring roofing, cleaning and septic contractors, in addition to committing hundreds of hours in district employee hours for painting, plumbing and other renovating tasks.
